## Terms & Conditions | Pricing Information

---

Welcome to my commissions information! I will provide you the information needed in order to proceed with a custom drawing. Thank you so much for considering me to create you some pretty awesome art! I look forward to working with you. If you have any questions, please e-mail me at [junehs02@gmail.com](mailto:junehs02@gmail.com)!

**ART CAN TAKE UP TO ONE MONTH.** While most pieces usually take me about 1-2 weeks to complete, it could take up to a month to complete. **Only exception to length of time to complete are full illustrations, which could take up to 1 to 3 months depending on complexity.**

This is entirely dependant on how many people are before you, my real life graphic design work schedule, and any other life events. I communicate with everyone how long I expect a piece to be completed.

**COMMISSIONER IS ALLOWED UP TO TWO REVISIONS BEFORE CHARGES.** The work I create might not be what exactly you have in mind. I will allow two free revision changes before I begin to charge you. Changing takes time, so please be specific to avoid additional charges!

**PAYMENTS THROUGH PAYPAL ONLY.** I cannot take payments via Venmo, CashApp, check, Bitcoin, or any other means. It must be via PayPal, please!

**ALL PAYMENTS ARE FINAL EXCEPT FOR UNFORESEEN CIRCUMSTANCES.** All payments paid are final unless a rare unforeseen circumstances occur. Such examples include: not being able to complete the piece in a timely manner or a real life emergency on artist's end which will cause the piece to not meet initial deadlines. If this is the case, I will reimburse you 100% of payments recieved.

**COMMISSION WILL BEGIN ONCE ARTIST RECIEVES 35% OF RATE.** I understand not everyone can pay for a piece right off the bat! I will begin a sketch once I recieve 35% of the full payment. **This does not apply to sketches.**

**ONCE ART IS COMPLETED, IT IS 100% YOURS.** You are allowed to print these as stickers, prints, or whatever your heart desires! You will receive a 300 DPI high-resolution file, the source file (be it a PSD or AI file) via e-mail or Dropbox depending on file size.

## HOW TO PAY

**All payments are USD only.**

Everyone has different financial situations, which is why I am OK negotiating which payment works best for you and your specific situation. I will only start a drawing once I am given at least 35% of the total price. For example, if your drawing is worth \$75 USD, you will need to pay me \$26.25 USD in order for me to begin a sketch. **I must be paid in full before I finalize a sketch.**

My PayPal is [junehs02@gmail.com](mailto:junehs02@gmail.com). Once I confirm a payment, I will start.

I am willing to work with whatever payment plans work for you. If you want to pay all in one go, that works as well! You can also do weekly payments. I will only start a sketch until I am paid the rest of what is due. Once payment is finalized, I will finish your piece.
